

New

Adventures

Cherlin received an opportunity to expand her horizons beyond Puerto Lempira. She had an amazing experience from first time flying, visiting a movie theater, shopping at the mall and Walmart, and making new friends. She met with other Miskito girls who have chosen the same nursing field. Cherlin was able to see a large hospital and how health care works outside of Puerto Lempira. Thank you so much to the generous donations and loving sponsors who made this possible for her.

Summer Fun!

This summer has been extremely busy and far from ordinary! "God doesn't call the equipped, he equips the called" We are so grateful for these teams and all that has been accomplished.

Sami recently had a doctor appointment in San Pedro Sula. He was able to see a specialist about his hips, which X-rays showed that he has hip dysplasia. He was casted to await for surgery, which is scheduled to take place in September. Thank you for the generous support from CrossFire Church of Slidell, who made this trip possible. Please be in prayer for Sami, Linda, and all who give care to him during this time.

Doctor Appointments

We are currently raising funds for his surgery and we are grateful for any support!

Projects and Improvements!

Community Outreach!

God is so Great and we are truly blessed with our Family, The Heights Church from Cleburne, Texas. They worked on repairs to our swing set, doors, roof, painting our kitchens, and did an amazing job of cleaning and organizing the Mercy & Grace preschool. They took their team out into our neighborhood to share food bags and the love of Christ. These are relationships and connections that are life changing. Thank you for the impact you've had in our lives and hearts!

A Huge Thank You goes out to New Direction Community Church from Wilmington, NC. Your congregation and awesome mission team have made our home safer and efficient! Check out our phase 2 of fencing (footers, concrete and metal post all the way around). We are loving the new sinks and sidewalk! You guys are a blessing to us, many Thanks and lots of love for all your hard work and donations!

Our Family and Community were blessed with a visit from Bethel UMC (Midland, NC) summer team. A 3 day clinic held at Mama Tara's opened the doors to feed and medically care for over 1,600 people. Coming from the villages of Puerto lempira, Mistruk, Bengk, Auka, Tipi Lalma, Yahura Bila, Kiaykira, Usibila, Uji and the frontier of Nicaragua. They received a meal, clothing, glasses and 190 food bags were given. Also 40 of our family children received teeth cleaning. Along with their 16 member team, 6 Honduran doctors, Military, Police, 4 Pastors and the Mama Tara employees, God's love and grace was shared with all. *A Huge Thank you to Bethel UMC and your team members!!!*
